

Privacy Policy – Relax Forest Sounds

Effective Date: 07-Jan-2026

Relax Forest Sounds (“we”, “our”, or “us”) respects your privacy. This Privacy Policy explains how information is handled when you use our mobile application.

1. Information Collection and Use

Relax Forest Sounds does **not require user registration** and does **not directly collect personal information** such as:

- Name
- Email address
- Phone number
- Physical address
- Contacts
- Files or photos from your device

However, the app uses third-party services that may collect information as described below.

2. Internet Usage

Some sounds in Relax Forest Sounds require an **active internet connection** to stream or download audio content.

- Internet access is used only to deliver sound content and advertisements
 - Offline sounds remain available without internet access
-

3. Advertisements (Google AdMob)

Relax Forest Sounds displays advertisements provided by **Google AdMob**.

AdMob may collect and use certain information, including but not limited to:

- Device information
- Advertising ID

- Approximate location
- App usage data

This information is used to:

- Serve personalized or non-personalized ads
- Measure ad performance
- Prevent fraud and abuse

Data collection and processing are governed by **Google's Privacy Policy**.

You can learn more here:

👉 Google Privacy Policy: <https://policies.google.com/privacy>

4. In-App Purchases

Relax Forest Sounds may offer **optional in-app purchases** to unlock additional or premium sounds.

- Payments are processed securely through **Google Play Billing**
 - We do **not collect or store payment or credit card information**
 - Purchase information is handled entirely by Google
-

5. Permissions Used

The app may request the following permissions:

- **Internet Access** – for streaming sounds and displaying ads
- **Audio / Media Playback** – to play relaxing sounds
- **Foreground / Background Services** – for continuous playback and timers

Permissions are used strictly for app functionality.

6. Third-Party Services

Relax Forest Sounds uses the following third-party services:

- **Google AdMob** – advertisements

- **Google Play Services** – billing, app distribution, and security

Each third-party service operates under its own privacy policy.

7. Data Storage

- App preferences (such as selected sounds, timer settings, and unlocked content status) are stored **locally on the device**
 - We do **not store personal data on our own servers**
-

8. Children's Privacy

Relax Forest Sounds is suitable for a general audience.

- The app does **not knowingly collect personal information from children under 13**
 - Ads shown comply with Google's policies for child-directed content
-

9. Security

We take reasonable measures to protect the app and its functionality.

Since we do not directly collect personal data, risks related to data storage are minimal.

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Updates will be reflected on this page with a revised effective date.
